To Whom It May Concern

RE: REACH 1907/2006/EC

Dear Sir or Madam:

The Panduit catalog products listed below are sold as they are intended to be used, requiring only mechanical alteration during the installation process. As such, these products are considered “articles without release” under REACH, and no registration requirements exist. None of these products contain any of the fifteen (15) candidate Substances of Very High Concern (SVHCs) identified to date. The information on Panduit Parts in this letter is based upon information provided by suppliers of the raw materials used by Panduit to manufacture these products. As such, Panduit makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.

PLT1M-XMR
HLS-15R10

Panduit will continue to monitor amendments to 1907/206/EC, and as SVHCs are added to Annex XIV of REACH, Panduit will review its product lines, and make supply chain notifications as required.

Thank you for your continued interest in Panduit products.
